

INFORMATION SHEET – 24·7 SMARTRACE® GROWING CATTLE

Presentation

A 130 g bolus containing the following trace elements:

| Nutritional Additives | Product Composition | Average daily supply over 180 days from one 130 g bolus |
|----------------------------|---------------------|---|
| Iodine (Calcium iodate) | 25,870 mg/kg | 18.7 mg |
| Cobalt (Cobalt carbonate) | 3,032 mg/kg | 2.2 mg |
| Selenium (Sodium selenate) | 1,378 mg/kg | 1.0 mg |

Uses

A dietetic complementary feed for the long-term supply of grazing growing cattle with trace elements. Intended for growing cattle on grass or forage-based diets with a liveweight of 200-400 kg. Agrimin **24·7 SMARTRACE® GROWING CATTLE** is designed for situations where iodine, cobalt and selenium supplementation is essential for efficient growth, optimum health and fertility but where additional copper is not required.

24·7 SMARTRACE® GROWING CATTLE boluses are designed to lie in the reticulum. The wrapper on the bolus dissolves and the bolus breaks into two parts. These erode and dissolve thus providing a continuous and regular supply of nutrients to the animal over its 180-day active life. The bolus dissolves completely leaving no residue in the reticulo/rumen.

Simultaneous supplementation of additives with a maximum content from other sources to those incorporated in a bolus, if applicable, shall be avoided.

Before using, it is recommended to have advice from a veterinarian or nutritionist concerning:

1. The balance of trace elements in the daily ration
2. The trace element status of the herd

Administration

Administer one 130 g bolus per animal

24·7 SMARTRACE® GROWING CATTLE can be given to all classes of beef and dairy cattle between 200-400 kg liveweight

Always use the recommended Agrimin cattle bolus applicator A

Contra-indications, Warnings etc

There is no need to administer additional iodine, cobalt or selenium during the active life of **24·7 SMARTRACE® GROWING CATTLE** (180 days)

MEAT AND MILK WITHHOLDING PERIOD – NIL

Pharmaceutical Precautions

Do not administer to cattle weighing less than 200 kg liveweight or over 400 kg liveweight

Store in a cool, dry place

Reseal part used packs

Do not drop onto hard surfaces

Keep out of the reach of children

Legal Category

Dietetic complementary feed

Package Quantities

24·7 SMARTRACE® GROWING CATTLE is packed in units of 10 (enough for 10 cattle)
